The golf course had two bids that were presented for pre-emergent chemicals by Mayor Weatherwax: Harrell's was low bid at \$159.00 per acre and Southern States bid was \$210.00 per acre. A motion was made by Brent White to accept the low bid by Harrell's and was seconded by Jason White, with all voting in favor.

Mayor Weatherwax presented 3 proposals for paving projects to the council from Quality Paving: 1) Proposal #002002017C for 4 separate areas listed on proposal (attached), for the amount totaling \$6,515.00.
Motion to accept proposal was made by Joyce Jeffreys and seconded by Jason White, with all voting in favor.

Motion was made by Denise Lovett to accept and seconded by Joyce Jeffreys, with all voting in favor.

3) Proposal #002002017B for repairs to streets where utility repairs had previously been made which are listed (attached) for a cost of \$1,160.00.

The Solid Waste Department was in need of a service truck since their previous one is no longer operable so Mayor Weatherwax had spoken with John Carpenter Ford about purchasing a F150 Truck at State Bid Price for a cost of \$18,987.06 which would have no extra equipment and be considered a base truck. After reviewing the quote on truck and realizing that the Solid Waste Department had sufficient funds to make the purchase a motion was made by Brent White to buy the truck as quoted and was seconded by Denise Lovett, with all voting in favor.

With no further business Mayor Weatherwax stated the next Work Session would be held on March 13, 2017 @ 5:00 pm and the next scheduled Council Meeting would be held on March 20, 2017 @ 5:00 pm.

Motion to adjourn was made by Denise Lovett and second by Jason White, with all voting in favor.
