Motion to make these changes came from Brent White and was seconded by Joyce Jeffreys.

Superior Mosquito Defense had presented the Council with a bid to spray the Mini Park at a previous meeting. A motion was made by Brent White and seconded by Jason White to allow them to treat the Mini Park for one season and that Jackie Burch would monitor the activity of the pest and report if there was enough effect that it would benefit to do again and to include the KC McKelvey Park and possible other areas or not to do because of the effects not being noticed. Cassandra Lee said that she would like to have a report back from Jackie after the process and to make sure and revisit adding the KC McKelvey Park if it is efficient next season.

Council members approved for Lyndon McWhorter to attend the Chiefs Conference and Training in Gulf Shores July 30th-Aug 2nd by a motion made by Brent White and seconded by Jason White.

During a recent work session Jackie Burch introduced the idea of moving the playground at the HA Alexander entrance to the ballfield to just past the concession stand. A motion to allow Jackie to

advertise for a proposal for bids for this work to be done was made by Brent White and seconded by Jason White. It was questioned by Joyce Jeffreys where the funds for this to be completed would come from and she was reassured that the Concession Stand money would cover the cost of the project.
