Resolution 2020-017 Resolution to Award Construction Contract for “Byler Road East Sidewalk Project”. Low Bid was submitted by Gillespie Construction, LLC. in the amount of \$448,996.75 for the Base Bid and \$34, 505.00 for Additive Alternate No. 1 which is no longer needed.

Motion to approve Gillespie Const., LLC: Cassandra Lee

Money was saved by delaying this project from the bids that were taken in the first time.

Several Merchants and Council had ask about extending the snowflakes on the poles to approximately one block off the square in some directions that currently don’t have them at Christmas time. The cost for each would be \$400.00 and it was estimated we would need 14 more to complete this. After discussion by the Council Members it was decided to wait until the Work Session and decide if the budget would allow for this purchase. So this was tabled until that meeting on August 10, 2020.

There being no more business on the agenda a motion to adjourn was requested.
