Meeting was called to order by Mayor Weatherwax followed by pledge and prayer.

The purpose of this meeting was to canvass votes from the recent election held on August 25, 2020. Lola Posey the Election Manager explained to Council and also handed out the machine tapes for each district, everyone was given a tally sheet to put the counts for each box so that at the end everyone could make sure totals were correct. Each District was recognized and noted on the sheets once this was done – Ms. Posey gave the Provisional boxes to Denise Lovett and Cassandra Lee and instructed them how to open and match the names to the envelopes that should be in the boxes – once that was done she took the envelopes and placed them in a stack and the next provisional boxes were opened and done the same --- there was one vote that was not allowed to be counted because the person was not registered to vote in District 4. With all the provisional votes taken out of the boxes now those votes were opened and spoken aloud to District and Candidate voted and added to the tally sheet. District 1 had 2 Provisional votes for Joyce Jeffreys – Council Member, District 5 had 2 Provisional votes for Brent White – Council Member, 1 Provisional votes for Pamela Moser and for the Mayoral race there were 4 Provisional votes for Roger Weatherwax and 4 Provisional votes for Chris Terry.
