Mayor Weatherwax had spoken to a representative from Truck-Worx about how their purchasing worked on items like dump trucks. A representative was to be at the meeting but wasn't able to attend so after the first of the new year someone will come and explain to the Council how their plans work.

Renay Saint had Ordinance #2022-005 for the Council to review for approval at the next Council Meeting this is to bring the Code Cycle to 2018 and changes to the permitting.

Backstops at the old ballfields at a cost of \$12,600.00 to replace the 4 fields – approval was given by Brent White, Jason White, and Denise Lovett per phone earlier in the week to Mayor Weatherwax.

Myron Bohannon has the cost for pumps/replacement/work for the golf course estimates that he would like approval.

- 1) Hand Service Company Estimate #2856 - \$3,195.00 to install a 6" gate valve – labor & materials
- 2) Hand Service Company Estimate #2855 - \$ 30,123.00 to rebuild pump – repair/rebuild motor – labor and materials

(Cost estimate for a new pump would be over \$151,000.00)

Motion to approve work to be done: Brent White

2nd: Denise Lovett

Mayor Weatherwax request \$12,500.00 to pay a feasibility survey to see if Moulton can support the need for a hotel – he has been talking with a group that is interested if feasible to come and build in Moulton.

There was brief discussion about this being a good opportunity for Moulton – Cassandra Lee ask that the Mayor be sure and ask that they consider the new additions to the park and the potential for travel ball bringing more people and increasing the need for a hotel.
