A contract was submitted for Council to review pertaining to Jackie Burch's forthcoming retirement on January 31, 2020. In the contract it was stated an amount of \$1,200.00 per month for 6 months etc. (See attached contract). After much discussion it was resolved that at this time the Council was not in agreement to enter into said Contract and wishes to wait until a later date before any such contract is done.

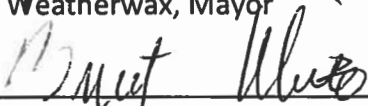

Ms. Lee and Ms. Jeffreys spoke about if the applicant that was hired was qualified they didn't see any reason to consider such a lengthy contract nor for that amount. Other Council members concurred with their connotations.

Discussion about the interviews for the park and recreation director will be held before next Council Meeting.

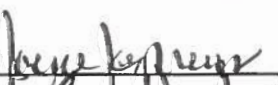

Ms. Lee had asked to speak on promoting Moulton thru social media and other avenues that may have not been used to their full potential in the past. Ms. Lovett also expressed a large interest in engaging the youth to come up with a new symbol for the City in doing the new promotions since the current one is dated. Several ideas were discussed among all present.
