Cassandra Lee addressed Council on her concerns with there not being contracts for the mowing and up keep of the other cemeteries that the City currently pays for to be maintained. She would like these areas to be contracted out just like the Moulton Memorial Gardens is contracted out. Mayor Weatherwax spoke on this matter and stated that the current person has done a good job and there hadn't been any complaints so there wasn't any reason to let bids for contracts on these jobs. Ms. Lee reiterated that the City needed contracts on this and any other business that is being done. Mayor Weatherwax said that it would be a good idea to address this when the other contract would be made in October 2025 rather than now. Ms. Lee agreed if it was done then.

Motion: Cassandra Lee

Attorney Jerome Thompson informed the Council that there had been no changes in the litigation matter that had been discussed at a prior meeting in the executive session. He stated unless the Council had other questions there was no need to go into an executive session on this matter currently.
