Reviewed grant submissions by the city from January to present. See attached spreadsheet.

IDB Board- We are still waiting for the city attorney to get back with us on this.

Annexation- Currently finishing up on the Huntsville Hospital property. When the Industrial Development Board is finished, we will then start on annexing the golf course.

Website- Local Gov has already started working on our new website and is in development phase of the process. We plan to add Text My Gov to the city's website and to utilize it as notification software.
