The Work Session opened with Robert Johnston giving a report that the Alcohol Licensing for the address of 12443 AL Hwy 157, Moulton, AL 35650 which was requested by Shivsankar Inc., dba Moulton Beverage and Tobacco would not be allowed due to not meeting the distance requirements of the City Ordinance #2010-001. In that ordinance it states that a business of this sort is not allowed within 1000 feet of a church. Wear Baptist Church is only 587 feet from the purposed location so this licensing will not be allowed.

The Planning Commission will be recommending subdividing property at 612 Morgan St. they met on August 7, 2025 at 5:00 PM in the Council Chambers for a Public Hearing on this matter and heard comments on the plans from the owner and others involved in asking for this division of property as well as citizens concerns and questions before they made the decision to recommend to Council.

The first meeting in September will have to be moved to September 2, 2025 at 12:00 Noon for the purpose of canvassing the votes from the election being held on August 26, 2025.

The remainder of the meeting was for Department Supervisors to present to the Council the request for the upcoming budget for 2025-2026(see attached request) Council members were able to address each supervisor about their request and needs for the departments they represented. All departments had someone present on their behalf from their department except Mark Heflin from

the Sewer Department – who is recovering from an injury, but he had spoken to accountant Emily Edwards about his department request.

Ms. Edwards was present to answer any questions for the Council on the concerns, wants, and needs of the departments.
